DESCRIPTION

I am Kushagra and I go by Protonicgod, I am a seasoned Discord Community Manager with over 4 years of experience specializing in community moderation and management. I have worked with brands and content creators with over 20,000,000 followers. Being the owner of India's largest advertisement server, I am committed to use my experience to build and nurture thriving communities whilst promoting growth.

EXPERIENCE

- **Associate Community Manager**
  Feb 2023 - Present

  ◇ **ModSquad (Feb 2024 - Present)** : Spearheaded the development of highly engaged online communities for leading multinational tech companies. Conducted in-depth research to identify potential community partners and collaborated with cross-functional teams to enhance user experience, driving significant community growth. Successfully managed communities with up to 1,000,000 members.

- **Discord Community Manager**
  Sept 2019 - Present

  ◇ **Makeshift Project (May 2024 - Present)**: Created and managed with the Makeshift Project (1.3 million on Youtube) on their official Discord server for their fans.
  ◇ **Code Social (May 2023 - Present)**: Grew community membership from 300 to 1,200 members in 5 months (300% growth) and implemented effective strategies to attract and retain new members.
  ◇ **Sponic Advertisements (June 2022 - Present)** : Owner of India's biggest advertisement server (13,000). Managed a team of moderators and other teams to keep the server running smoothly and provide a positive experience for all users.
  ◇ **Battlechest (Dec 2023 - May 2024)**: Oversaw the successful coordination and execution of gaming tournaments for a thriving 16,000-member community.Introduced three over-the-top programs for community, which promote healthy lifestyle habits including reading.
  ◇ **Jobs, Hiring & Market (Oct 2023 - Mar 2024)** : Managed one the biggest freelancer platforms on Discord with over 11,000 members. Successfully revamped the server to automize the job postings as well as verified reports regarding scams.
  ◇ **E-Girls Social (Sept 2023 - Nov 2023)** : Mentored and trained new moderators, passing on knowledge and skills to help them succeed in their roles in the large and hyperactive community (200,000 members).

- **Discord Community Moderator**
  Sept 2019 - Present

  ◇ **Sexy.AI (Sept 23 – Present, 19,000 members)**: A leading NSFW AI image generation platform.
  ◇ **BeluGANG (Aug 22 – Sept 22, 700,000 members)** : Official Discord server of Beluga, content creator with 10,000,000 followers.
  ◇ **Hideout (May 22 – Jun 22, 135,000 members)** : One of the most famous and active Discord servers.
  ◇ **Slogo (Aug 21 – Apr 22, 300,000 members)** : Official Discord server of Slogo, or Slogoman, a gaming content creator with over 11,000,000 followers.
